

Mossel Bay

GENERAL COMMENTS ABOUT MOSSEL BAY

In a town where the constant, rhythmic sound of the sea is the undertone that fills the bay, the Mossel Bay promise is effortlessly kept. And whilst the sea is without a doubt one of the greatest attractions of Mossel Bay – it's only one of them.

Here you can enjoy everything from the adrenalin rush of bungi jumping or horse riding, to the intellectual stimulation of meeting the locals, from the luxury of a pampering spa to the rigours of a long, hard round of golf on the course which boasts "you can see the sea from every green".

There is exceptional whale and dolphin watching, the Cape St Blaize Lighthouse, Maritime and Shell Museums, a colony of more than 3,000 Cape fur seals – in the end, it comes down to the sea. In Mossel Bay, it always comes down to the sea.
